

Wheeled Impact Crushers

623S Compact Secondary Crusher

623S

The Tesab 623S is a Compact, Mobile, Secondary Crusher designed to produce a High Quality Cubical Shaped Product.

As this machine is the **wheeled version of the 623CT** it is also exceptionally good at producing excellent cubical shape and a high reduction rate providing a high quality end product at a low cost per ton.

Suited for both secondary and tertiary applications, the 623S also offers a tipping grid & pre-screen option as well as an electric drive option..

*Tipping Grid & Pre-Screen Options.

⚡ Electric Drive option available.

Performance Specification

Production Rate	Max Feed Size	Reduction Ratio	Engine Size	Feeder Belt
150+ TPH*	200mm (8")*	Up to 20:1	CAT C9 (Tier 3/Tier 4)	Yes

* Depending on material density and set-up

Dimension Specification

Transport Dimensions			Working Dimensions		
Height	Width	Length	Width	Length	Weight (Est.)
4100mm (13' 5")	2840mm (9' 3")	13,290mm (43' 7")	2840mm (9' 3")	16,470mm (54')	19,500 Kgs (42,900 lbs)

Features & Benefits

- Up to 150+ tonnes per hour Production Rate
- Produces a Superior Cubical Shaped Product
- Suitable for both Secondary and Tertiary Applications
- Available with Tipping Grid & Pre-Screen Options

Engineered for Power, Built to Last
