

Scalper | Reclaimers

TS1550 2 Deck Scalper | Reclaimer

16' x 5' Deck Size

Features & Benefits

- A Large Size 16' x 5' (4.88m x 1.53m) Screenbox provides Superior Screening Performance
- Heavy Duty and Built to Last in Tough Environments
- A Wide Feed Opening allows a High Volume of Free Flowing Material
- Works exceptionally well across a huge range of tough applications

TS1550

Designed to work in the toughest of environments, the versatility of the TS1550 allows it to be used across a huge range of applications.

The ability of TS1550 to perform so well - especially in sticky wet material - comes from its highly reputable Screenbox. With a 155ft² high performance screening area there is simply nothing to match this machine. With a large hopper and wide feed opening, material can flow freely making it a highly productive and highly efficient screening system - especially when screening larger material.

From Primary Crusher Circuits, Site Reclamation, Construction and Demolition Waste to Heavy Rock, Sticky Clay and Boulder Clay, this machine can screen out the worst of materials.

Specification

Max Feed Capacity	Engine Size	Top Deck	Bottom Deck	Middle Deck
550 T/H*	CAT 127Hp (95Kw)	4.88m x 1.53m (16' x 5')	4.58m x 1.53m (15' x 5')	-

*Depending on material density and screen set up

Dimension Specification

Transport Dimensions			Working Dimensions		
Height	Width	Length	Width	Length	Weight (Est.)
3400mm (11' 2")	2900mm (9' 6")	15,300mm (50' 2")	13,450mm (44' 1")	15,210mm (49' 10")	32,600kgs (71,870 lbs)

Engineered for Power, Built to Last
