

# 3 Deck Inclined Screeners

## TS3600 3 Deck Screener

20' x 5' Deck Size

### TS3600

The TS3600 tripledeck screener builds from the huge success of the TS2600. The addition of a third deck in the screenbox, cross conveyor and fourth product conveyor means this machine will give you even more return for your investment.

With the same exceptional reliability and production quality as the TS2600, this machine takes screening capacity and performance to another level. Adjustable screenbox angles makes it incredibly adaptable, even in the toughest environments.

Made from the highest quality components, the TS3600 exceeds in a wide range of applications including Quarrying, Crusher Circuits, Sand and Gravel, Coal Screening, Topsoil and Woodchip.

### Specification

Max Feed Capacity	Engine Size	Top Deck	Bottom Deck	Middle Deck
650 T/H*	CAT 125Hp (93Kw)	6.10m x 1.52m (20' x 5')	5.49m x 1.52m (18' x 5')	6.10m x 1.52m (20' x 5')

\*Depending on material density and screen set up

### Dimension Specification

Transport Dimensions			Working Dimensions		
Height	Width	Length	Width	Length	Weight (Est.)
3450mm (11' 4")	3220mm (10' 7")	18,450mm (60' 6")	18,280mm (60')	19,610mm (64' 4")	36,500kgs (80,468 lbs)

### Features & Benefits

- 20' x 5' (6.1m x 1.52m) Super High Performance Screenbox
- High Quality Components makes this one of the most dependable machines on the market
- Hydraulic Folding Conveyors throughout so setup times and costs are significantly lower
- Highly Adaptable machine excels in a Huge Range of Applications
